

Dear Pastor and members of Burke Methodist Church;

I want to thank you so much for the shelter, food and cheer you brought to me and everyone else. "For evils beyond number have surrounded me; My iniquities have overtaken me, so that I am not able to see, They are more numerous than the hairs of my head; And my heart has failed me." Psalm 40:12

You helped me to overcome those things and my heart is full and strong again. I have just left a detox facility and they had no room for me at a rehab facility so I am homeless, broke, and alone for the first time ever. It is terrifying and you and your angels even brought hope to me. Thanks to you I am still clean and sober for one more day. I hope God brings you all the joy and blessings of Christmas and may your hearts be as full of love as mine is tonight

Merry Christmas,
Jimmy
